Academic Portfolio available at <https://alexandresfedala.github.io/> .

A proactive second-year Civil Engineering Undergraduate at UCL with a strong foundation in engineering principles and practical skills in AutoCAD, Revit, and drone surveying. Growing up in rural France, I developed a deep-seated appreciation for the critical role of resilient and sustainable infrastructure, which fuels my passion for the field. Seeking a 2026 Summer Internship to apply my analytical and problem-solving skills within a professional engineering team.

Education

University College London (UCL) | London

BEng in Civil Engineering | Started 2024 – Expected Graduation 2027

- Expected base grade: High 2:1.
- Modules include Structural Mechanics, Mathematical Modelling and Analysis (includes MATLAB training), Engineering Design, Geotechnical Engineering/Soil Mechanics.

Lycée A. Renoir | Limoges, France

French Baccalaureate | 2021 - 2024

- Awarded with High Honours, 15.79/20 (A*AA equivalent).
-

Work Experience

University College London | London

Sep 2025 – Nov 2025

Transition Mentor

Supported a cohort of 15+ new students through their transition to university life, improving student integration and satisfaction by organising weekly meetings and activities.

Camping de Sagnat | Bessines-sur-Gartempe

Jun 2021 – Aug 2025

Waiter/Barista (Front of House)

Led a team of 5 during peak operational hours, enhancing efficiency and maintaining exemplary customer service standards under high pressure

Peace Pledge Union | Limoges

Sep 2023 – Jun 2024

Freelance Volunteer

Executed an awareness campaign in Limoges, reaching approximately 3,500 people (45% of the local student-teacher body) by creating stalls that included activities for all ages.

Certifications

A1/A3 Drone Certified | Civil Aviation Authority

Sep 2025 – Sep 2026

- Demonstrated capabilities in manipulating small to medium-sized drones.
 - Extensive knowledge of safety procedures concerning use of drones in populated areas.
-

Community Engagement

BFI Meetup | Limoges

Event Coordinator

- Created floor plans and timetables for an event with 120+ attendees.
- Ensured smooth execution of events under time pressure.

Administrative Council | Collège Pierre Mendès France

Student Body Representative

- Ensured that the student voice was being heard at administrative council meetings to maximise student satisfaction towards the establishment.
-

Skills

Technical Skills:

Excel (Advanced), Land Surveying (Proficient), AutoCAD (Intermediate), Revit (Intermediate), Matlab (Intermediate), ArcGIS (Intermediate), Sustainability Principles (Intermediate).

Soft Skills:

Mentoring, Event-coordination, Customer Service, Teamwork, Workplace Safety.

Languages:

French (Native), English (Bilingual), Spanish (B2/B2+), Polish (A1).

Achievements

- 2nd Place, Regional Mathematics Competition.
 - 1st Place, Local Programming Competition.
 - Recognised for effective communication with linguistically diverse groups.
-
